Good morning,

Just touching base to get in the loop on planning. We can staff someone in the Command Centre to issue social media messaging as needed.

We are doing regular scans of social media on the topic and can circulate to the planning team for their info.

Julie

We will need to staff this with a person in the command centre. Please arrange and pull together scans.

Good morning Chief,

I know you and your Intel are aware of the trucker convoy headed to Parliament Hill on January 29th. I found a video that was posted 21 hours ago on Facebook. It shows the vehicles and people that are headed your way. In case any charges need to be laid, I figured this video is good for identification purposes, if needed.

There are truckers, motorcycles and cars headed your direction. I don't have connection for anyone in your Intel department or I would have sent it to them directly.

Here is the link to the video

I hope this email finds you well.

Kind regards,

Laurie
